PHOENIX

DURABLE & NON-DURABLE FLAME RETARDANT CURTAIN VELVET

NON-DURABLE FLAME RETARDANT

FLAMMABILITY COMPLIES WITH THE REQUIREMENTS OF BS 5867-2:2008 TYPE B.

WARNING: WETTING IN ANY WAY MIGHT REMOVE THE FIRE RESISTING QUALITIES OF THE FABRIC

DURABLE FLAME RETARDANT

FLAMMABILITY COMPLIES WITH THE REQUIREMENTS OF BS 5867-2:2008 TYPE B.

FIRE RESISTANT TO DRY CLEANING & WATER SOAK

VELVET CARE: DO NOT WASH

Note. The flame retardant specifications for these fabrics are based on the pile area only. The density of the selvedges does not allow full penetration of the fire retardant agents, therefore all tests are carried out on the area of the pile area only.

Please stipulate the fabric required by stating the full name and colour number.

Although every effort is made, no guarantee for exact colour matching is given.
